## NEW FOR 2023!

This coming summer is sure to be a “fun-tastic” one with lots of new and fun activities being planned. We are excited to bring two fun activities called “Magical Maze Games” to Jellystone Park this summer. These maze games can be played by all ages!! It takes strategy and co-ordination to get through the maze and become the master of the maze! It’s a test of your steadiness and concentration!

Another fun activity being introduced this summer is the Gel Blaster Challenge. Teams will spar off to see who can blast their opponents the fastest! It’s like paint ball without the mess. All natural, non-toxic, non-irritating, starch-based material that bursts on contact and immediately evaporates. No stains, no residue, and no mess. It will be a BLAST!!

We are pleased to announce that visitors will be welcome to visit our camping guests for summer 2023 with pre-registration by the registered camping guest. There will be a maximum of 6 visitors per day per site.

### ATTRACTION NEWS

We are excited to announce that we will be opening the Water Zone at 11:00 am each day, Monday to Sunday.

This will enable everyone to begin their “water fun” earlier plus it will give those who are checking out a chance to have some “water fun” before the check out time.

Often a person just needs to get “one more” blast of water fun before they leave or it’s a way to cool off on a hot day before heading home!!

### GAME ROOM UPDATE

We are happy to announce that the Game Room will be Reopening this summer after being closed for 3 summers.

We have renovated this room and have added some different games for everyone to enjoy. The popular “Bouncy Ball” games are back and no doubt they will be popular again with the kids!! Collecting “bouncy balls” is fun!

Check out this area and try your hand at the games. They will test your skill and mind!!

# CABIN NEWS

We are remodeling the 2 RUSTIC CABINS in time for the 2023 camping season. We are installing tongue and groove pine wood on the interior to enhance appearance and livability.

This upgrade will also make it easier for our housekeeping Rangers to clean the cabins and also for Ranger Peter to sanitize the cabins more efficiently.

The Rustic Cabins offer sleeping for up to 6, small fridge, microwave, coffee maker, TV/DVD player, toaster, electric fireplace, BBQ, picnic table and fire ring.

We are also adding Air Conditioning to the Rustic cabins to make them more enjoyable on those hot days of summer!!

Now ALL OF OUR CABINS will have air conditioning for everyone's enjoyment.

We offer 6 different styles of Cabins: Rustic, Boo Boo Bunkie, Premium, Premium Plus, Deluxe Plus and the Supreme Cottage. The Deluxe Plus and Supreme have full washrooms with showers and the other cabins use our public washrooms.
